CSM-210 overview

Flexible ring adapter

The flexible ring adapter kit contains 6 cell-rubber rings (0, 54, 65, 75, 78, 81mm) for different lens diameters. To change a rubber cell ring please, unscrew the outer ring of the ring adapter. Then (re)place the cell-rubber ring and screw back the outer ring.

French flag CSM-21050 (OPTIONAL, NOT INCLUDED IN THE KIT!)

For extra reduction of flare the CSM-21050 flag can be placed on the accessory shoe of the CSM-210 matte box.
